Baby you've got the most beautiful face
Eyes like a beat that could steal this heart away
And the smile of a friend who never let me down yeah
You know all my dirt and you still keep me around

What I have for you is, love, love, love
All I have for you is love,
There's nothin I can do, no, I can't go back
To anything less than that

I can't write it on paper, cause someone might peek
No there's no more safe places for secrets to keep
So I say what I need to, when I am asleep
Won't you meet me in my dreams tonight?

What I have for you is, love, love, love
All I have for you is love,
There's nothin I can do, no, I can't go back
To anything less than that

You force my hand, da da da da
Da da da da,
Da da da da, da da da
You push me in, da da da da
Da da da da, da da da da, da da da

And you keep me where you want me,
Right between your fingers,
Lock me in your arms I'll,
Gladly be a prisoner,
Keep me where you want me,
Cause it's where I want to be,
What I have for you is love, love, love
All I have for you is love

What I have for you is, love, love, love
All I have for you is love,
There's nothin I can do, no, I can't go back
To anything less than that

Yeah yeah yeah

What I have for you is, love, love, love
All I have for you is love,
There's nothin I can do, no, I won't go back
To anything less than that
