I spit nutty academia like a macadamia  
Kookoo Kachoo ? I do the bugaloo  
Too persnickety ? never flow like boats so ricky  
Ladies I'm the chosen so forget your lederhosen  
Far from tomfoolery and buffoonery  
Unless I'm the only local loco in the coco  
Call me ignoramus. You're a heinous anus.  
Turn you topsy-turvy exposin' all your herpes  
Yuck! So you're faded and discombobulated  
Way too dork. I feed you mushu pork  
Ah, Danielson, Ah So- Asshole  
Your hair's bouffant. Stuff you with a croissant.  
My big thingamajig can rise like a whirligig  
For a floozy and then put her in a woozy doozy  
Up in Vegas chewin' rutabagas  
Ain't nothin' new to 'ya. It's that or an arugula

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Sir, you belong in a nerd herd throng

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Miss, you're flavorific like a Swiss Miss

I like Woody beavers, dik diks, dung beetles  
Duck-billed platypus, octopus, weasels  
Bet you like the feel of when I mandril 'ya  
Dressed to the manatee, I really like 'ya ocelot  
That's an awful lot of weird lingo  
Star like Ringo. Playin' bingo eatin' Pringles  
Chillin' to some Oingo Boingo sippin' Rheingold  
On & On like a Chaka Khan marathon  
Oodles of noodles in my plate and some streudel  
A couple Hefeweizen and some shots at a brouhaha  
Descending near my epiglottis  
Spy a Pocahantas. I think she more fly than Quantas  
We drinkin' Odwalla up in Walla Walla  
Make her feel real loosey and go do the watoosie

Yeah, I'm the shit like a pooper scooper  
With a V on my chest - I'm an uber super duper trooper

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Sir, you belong in a nerd herd throng

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Miss, you're flavorific like a Swiss Miss

Don't fret if you've got Cucamonga phobia  
You could saddle up and move out to Abu Dhabi  
Or Timbukto or even Kalamazoo  
Sippin' vodka with your momma on Lake Titicaca  
Hoitty Toitty ? that's not V cuz I'm too smooth  
Don't be a goodie 2 shoes in a tutu  
Lookin' all frumpy and grumpy, fallin' off like Humpty  
Dumpty  
While I'm eatin' Ben & Jerry's Chunky Monkey  
I won't get caught in a boondoggle or with beer  
goggles  
The schlemiel and shlemozzle  
Watch out for a cuckaracha  
Forget the Z, I'm the V, true Man of La Mancha  
Nachos and guacamole ? Holy Moly  
Eat too much and become a roly polly  
With a badunkadunk and lot's of blubber  
But I'll still cuddle you if you're a true BBW

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Sir, you belong in a nerd herd throng

Feel me flow ? Absurd in the word  
Stupendously, sensational and superb  
Crazy with the verbs and insane with the verse  
Like Miss, you're flavorific like a Swiss Miss
