I got game like you ain't never heard of befo'
Chalice full of Yak and I'm pimpin' them ho's
Jump up in that whip and go out make me some money
And when your ass return it best be sweet as honey
Have them book you a room in a penthouse suite
Cuz johns shake they meat to the beat with my little
petites
Don't speak just do what you're bidness
Girl, shake what your mama gave ya and get with it
You all fitness. I'm blessed with a squad so exquisite
One got men in the palm of her hands while she's doin'
a handstand
Man, it don't get no betta
She can come and go whenever I let her
On the stroll or the pole, yeah that's what's goin' down
Touch the ground and make them bros toes curl now
Rock they world and return to your Daddy ? so cavy
Still don't ask to ride shotgun in my Caddy
I always got business to attend to
Addin' freaks to my roster like specials on my menu
Get a lil' bread if it hits my hand first
You can flirt in a miniskirt? It's time to put in work
Now what do we have here. You wanna star on my
team?
Be my street walkin', street talkin' sweet queen bee?

Don't get outta line. Get back up in that line.
Best believe I get percentage of your nighttime grind.

You ax how did a find a perfect pro around the way
I smacked her up with a club, then drug her away
Like an early cro-magnum man, but on the other hand
I gotta get that guap anyway that a pimp can
A nice-apple-bottom in them jeans.
I mean she gotta curvy frame ? on the lames she got
an attitude
Actin' rude ? talkin' up ? All about that strut
Spit some game ? I tell 'em that they worth a million
bucks
My name ain't Slim Shady, but I got all different shade
slimmies
Freaky girls, bad chicks, & number one draft picks
Still I never let 'em know that a pimp is good to go
Always scopin' fo a dip that licks her lips and touches
toes
Knows how to walk, dip, raise, flip and get that cheddar
Super sexy outfit, girl I'll give you benefits
Dental care, 401K, baby all of that
Now I'm never fallin' back cuz I got you on my staff.
