"Shiny Ass Drinks"

I seen people hit the club and ask the bartender for one
of those shiny ass

Drinks.

It's like livin' the good life so they stay sippin' on one of
those shiny

Ass drinks.

Spendin' their money so frivoulously on one of those
shiny ass drinks.

People in the struggle can wait 'til tomorrow ? You just
live it up like

There is no tomorrow

There's poverty and unemployment on the news

While you're sippin' Hypnotiq in your fly Gucci shoes

Addicts on crack straight losin' their minds

As far as you're concerned it's outta sight/outta mind

Genocide continues 'till this very day

But you love Busta Rhymes so pass the Couvoisier

You love to say ? Hey

You love to say ? Ho

While you folks are sniffin' cocaine right up their nose

Cuz when you get dough ? you get a better brand of
blow

Went from po' house to bein' on a pimp stroll

Forget about your fellow man ? you got a better plan

Makin' lots of money so that makes you a better man?

I've been known to have a couple of those

But the plight of mankind is paramount in mine

So I'mma rhyme 'till I fill my own casket

I don't want the world to go to hell in a hand basket

When you hit the club I know what you're out for one of
those shiny ass

Drinks

Gonna spot a freak and chat her ass up over one of
those shiny ass drinks

You're feelin' good so you don't care about nobody
else with one of those

Shiny ass drinks

Martini's - margaritas - mojito's ? The rest of the world
can get the heave

Ho
