Sidewayz I be sittin' with a kitten on my lap  
Like slim thug's I'm a boss and she handles that  
Yep a quarterback head honcho in the game  
Ladies sayin' baby I say how'd you know my name?  
Hurricane head hunters get to jugalug  
It's nuts when I champagne cuz I bubble up  
Huddle up your team and hit me with everything  
From veterans to rookies and the third-third string  
I can make you're girl wing it, sing it gurglin'  
Like a puppet cuz I pull her by purse strings  
Ain't that a thing or is it off the chain  
Swervin' lanes when she's on my mind and feelin' on  
my brain  
She knows my zipper more than she knows my face  
But she's gonna know it when it's all over the place  
Like a poster ? roller coaster ? fun, girl, fun  
But don't forget to tune it up so run, girl, run

You're just a wanksta with no wanker, I gotta long  
shlong  
My nads are in a sack dangling like King Kong's  
Call 'em dingleberries. Holy cockamamie!  
I hit it with my shuttlecock all the way to Bangkok  
Cock-a-doodle-doo! It's time to wake my woody  
I tickle with my pickle everytime I'm makin' whoopee  
You got a lil' pee wee. She said it's rinky dinky  
When I do bukkake I take off my rubber dinghy  
I know you wanna join the party in my groin  
Call my couple kumquats the fruit up in my loins  
What's up buttercup, I'll squash it like a butternut  
Even when I cover up, It'll drive your mother nuts  
Served up on a dish, like meatballs and spaghetti  
Pucker up ? slurp it up. My flavor is delish  
So check out my garbanzo's near my Wienerschnitzel  
Holdin' my testicles, V is sure to whet your whistle.

I get freaky with a flussey ? bang, bang like an Uzi  
Flip the game around because the V is so choosy  
Ballin' like Snoop dogg with the biggest sack  
Cuz me and my jimmy give me serious swag  
Got a couple freaks havin' sex in the streets

Love the woof-woof style ? that's right Honey Child.  
Know what I'm sayin', that's how it goes  
The V on Paul Wall's beat ? What it do?  
I really like Paul Wall's sittin' sideways  
And I got my girl on me sittin' sideways
