Yeah, It's the V.  
Straight outta San Jose  
Ain't no one out here like me mein!  
It's time to get it! It's time to get it!  
Get it!, get it!, git, git, get it, get it, get it!

Ask me how I'm livin' mein? I'm livin' sweet!  
Ask me if it's candy paint? I'm ridin' sweet!  
Ask me what I'm hittin' mein? Some swisha sweets!  
Cous I could give a wha, but I just don't give a sheet!  
Sweeter than some sugar cane. Sweeter than some  
chocolate.  
Women love to rock it. For me they're outta pocket.  
Yep! Sweet! Sweet! Sweet! Sweet!  
Ask me how I'm livin' mein? Mein, I'm livin' sweet!

Clean like some contraband straight from Bolivia  
I can see my shit's strong by the way you're spittin' up  
Trippin' up, trippin' out, flippin' birds, flippin' out  
Twistin' herb, twistin' mugs, sippin' syrup, trickin' out  
Girl's ridin' shotgun, ridin' like a top gun  
Slidin' out the spot son near killers on the block son  
Fire off a hot one ? don't wanna get got son  
I stay outta danger so just keep me out your plot son  
... You be squawkin' - but I'll be off pimpin'  
Leave my mark on y'all like my signature and imprint  
Instant-ly, I bag it like some jewelry  
And I spread the wealth ? like L.L. it's just the cool in me  
How I'm in the buildin' if the V's the buildin'?  
How I'm livin' so sweet, if I make a killin'?  
Fin to get busy - your girl's in a tizzy  
Now she's got the V tatted right between her titties

Ask me how I'm livin' mein? I'm livin' sweet!  
Ask me if it's candy paint? I'm ridin' sweet!  
Ask me what I'm hittin' mein? Some swisha sweets!  
Cous I could give a wha, but I just don't give a sheet!  
Sweeter than some sugar cane. Sweeter than some  
chocolate.  
Women love to rock it. For me they're outta pocket.  
Yep! Sweet! Sweet! Sweet! Sweet!

Ask me how I'm livin' mein? Mein, I'm livin' sweet!

Who-A? True-A! What you wanna do naw?  
You ain't got no work, mein, my shit be the purest  
Sure of myself even when I roll solo  
Yeah, it got mo' mojo than Austin' Power promos  
Switches be tweaked - speak swifter with a lispa  
I got mo' money than what's spent upon your wrista  
I got diamond blindin' vision stunna shades on  
Bamboo dinnertable that I throw my cake on  
Thangs are lookin' lovely even when you're muggin'  
Dude you need to stay out the eye of the public  
Take it from a real dude ? life is just a crap shoot  
Either ride or die or get processed like some cat food  
Thought I saw a pussycat ? now she's purrin' in my lap  
Big barkin' dawg ? my colla makes them women holla  
Yup, Yup ? Imma breed of a different kind  
Top notch pedigree ? my doggy style is dynamite

Ask me how I'm livin' mein? I'm livin' sweet!  
Ask me if it's candy paint? I'm ridin' sweet!  
Ask me what I'm hittin' mein? Some swisha sweets!  
Cous I could give a wha, but I just don't give a sheet!  
Sweeter than some sugar cane. Sweeter than some  
chocolate.  
Women love to rock it. For me they're outta pocket.  
Yep! Sweet! Sweet! Sweet! Sweet!  
Ask me how I'm livin' mein? Mein, I'm livin' sweet!

I'm takin' days off so I'm headin' for the beach  
Take it from me, the good life's never out of reach  
Breach of contract if you implicate the V  
Don't worry 'bout me, I'm just chillin' like a villain  
And I'm never trippin' unless it's to overseas  
Cuz I get the crowd hyped from here to Beverly  
Hills ? pay the bills ? I got skills to keep you thrilled  
When my album drops is When the Earth Stood Still  
Like Keanu Reeves, have you caught up in the Matrix  
Here's a little taste to keep all you ladies cravin'  
So I scoop 'em up and head back to the Vill  
Cuz if V don't do it then another brother will

Ask me how I'm livin' mein? I'm livin' sweet!  
Ask me if it's candy paint? I'm ridin' sweet!  
Ask me what I'm hittin' mein? Some swisha sweets!  
Cous I could give a wha, but I just don't give a sheet!  
Sweeter than some sugar cane. Sweeter than some  
chocolate.  
Women love to rock it. For me they're outta pocket.  
Yep! Sweet! Sweet! Sweet! Sweet!  
Ask me how I'm livin' mein? Mein, I'm livin' sweet!

Flossin'. Bossin'. Tossin' up the cheddar  
Dippin'. Rippin'. Whippin' down the street!  
Life is too short so for now we're livin' better!  
Life is too short so for now we're livin' Sweet!

Sweet!

Sweet!

Life is too short so for now we're livin' Sweet!
