You're my precious dream.
You bring so much beauty to my life.
We're the perfect team.

We're the love. There is no space for lies
now that's you and me,
and I promise forever we'll be one.

You rock, you rock my world.
You are the shining star that gives me hope.
You are the air I breathe, you feed my soul.
Baby, I can't live. No, I don't want to be without you now.

Now standing here,
face to face you look into my eyes and you make me
feel
that I'm the only one who can make you come.

You rock, you rock my world.
You are the shining star that gives me hope.
You are the air I breathe, you feed my soul.
Baby, I can't live. No, I don't want to be without you now.

You rock, you rock my world.
You are the shining star that gives me hope.
You are the air I breathe, you feed my soul.
Baby, I can't live. No, I don't want to be without you now.
