See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
The ladies go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
Everybody go whoo!

You're lookin' at the V. In my heyday, stay-paid
Name ringin' bells like a kid named Say Hey!
Cuz I'm high octane, and dudes is gassed up
Number one pole position ? you'z is last up
My dogs are real Dobermans ? diamond chain studded
With overflowin' bank like a plateau flooded
My onomatopoeia's like buck- boom ? c'ya
Way outta line like the Mind of Mencia
In each and every copyright, I keep my rhymes tight
Blow your mind ? pick up fine dimes in the limelight
Ladies love a franchise fresh like Starbucks
Look no further I'm your Big Daddy Warbucks
So, don't even go and try the next jerk
Cuz I'll crush him with my net worth, financial expert
I'm the key link completely off the chain
If you feel the same, Whoop it up mein!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
The ladies go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
Everybody go whoo!

Most ladies won't wait for a staller
Women want to be my favorite in-the-bed crawler
So holla if you need a slow hand and a rush
Girl I got the touch and my ride is so plush
I'm known in a zone to give you all I've got
Never been a G, but I'll rock that spot
The mention of my name's an aphrodesiac
So I stay away from a strobelight honey on similac
Women wake up in ecstasy from an episode
Sweat ? drippin' wet, cuz I put 'em to the test
Everytime I chuckle cuz I make their knees buckle
And tell them don't fess, you're now rockin' with the best
I leave it up to ladies to choose who they want
You can get with this or get with them, I won't front
So when your entourage slides over in pairs of 'em
Don't even trip Cous, I'll take good care of 'em

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
The ladies go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house

When I turn it out
Everybody go whoo!

Pre to postseason, top rankin', big bankin'
Vibin', high-fivin', definitely keep it livin'
Finances ? well in order ? rakin' in a ton
Overseas bank accounts ? Warren Buffett-level funds
Fortune 500 ? top spot reservation
Italian Riviera ? Caribbean locations
Ladies in all shapes, sizes and tan base
Number one stunner with a world-wide fan base
Keepin' it real with real talk's a reality
Money touch these fingers? Just a formality
Take my spot? That's delusions of grandeur
Years of futility and still can't master my ability
Cuz on the level-counterparts
Are multi-millionaires. Still no one can compare
To the V with bling like the Hope Diamond
Try to match me at the summit
Boy, you better keep climbin'

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
The ladies go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
Everybody go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
The ladies go whoo!

See me in my car
See me by the bar
See me in the club
The crowd goes whoo!

See me at the spot
See me in the house
When I turn it out
Everybody go whoo!
