I fucked a witch on the dark side of the night.  
She turned and hissed and with an evil smile she died.  
I never knew that I could feel this way before.  
Damned to the darkness now I need it even more.  
See her crawling in the shadows.  
See her legs spread on the floor.  
Wicked bitch of dark seduction,  
Beast in heat forever more.  
I fucked a witch.  
On the dark end of the night.  
Yeah I knew it was wrong.  
but it felt so goddamn motherfucking right.  
and I'd do it again.  
I'd burn right by her side.  
but don't fuck the witch.  
Unless you too are prepared to die.  
See her crawling in the shadows.  
See her legs spread on the floor.  
Wicked bitch of dark seduction.  
Beast in heat forever more.  
Lie beside me.  
Bleeding softly.  
Stand beside me.  
Bleeding always.  
You wicked bitch.
