Yeah, here's a story  
I know you know it well  
We were young and free  
Could never ever kiss and tell  
Now here we are  
You still make me feel  
Like the kid in your passenger seat  
Air drumming to the off beat

(I KNOW)  
There ain't much to say  
(YOU KNOW)  
That I am here to stay  
(YOU STILL)  
Drive me insane in the best kind of way

My baby, She still drives me crazy  
After all this time  
You better believe that  
Nothings greater  
She still makes me better  
After all this time  
You're still my  
Favorite Girl  
Girl, Girl, Girl, Girl  
You're still my  
Favorite Girl  
Girl, Girl, Girl, Girl

I remember when  
You didn't know how to kiss  
Now you know me well  
And nothing compares to this  
We were kids in love  
Now we make it tough  
Drive around this town  
Turn up your favorite song so loud

We still have stories to tell  
And things we haven't seen  
You've always been the

One thing (one thing)  
That sets me free
