It was the summer wind,  
That blew you into my life,  
It was the light and the sun that shined down on me  
It was your beautiful eyes that looked into mine,  
At least I hope,  
It was you,  
It's been said over and over and over,  
That I can't get enough of your lovin girl,  
I know I'm crazy and young so soon but sometimes,  
But I hope you realize that my love,  
My love for you is true

Do you know,  
You are beautiful,  
Cuz all I know is that I get weak everytime,  
You start to tease me under my sheets,  
Everytime you look at me,  
Everytime you look at me

Just let me know,  
If your alone,  
Cuz you can wake up next to me,  
And I promise I'll keep you close,  
Just don't let your eyes stray away from mine,  
At least I know your lookin fine,

It's been said once, twice, three times before,  
It's that I can't get enough of your lovin girl,  
Let me get a little close tonight,  
Let me get just a little tight,  
Oh,

Do you know,  
You are beautiful,  
Cuz all I know is that I get weak everytime,  
You start to tease me under my sheets,  
Everytime you look at me,  
Everytime you look at me,

Cuz I'll give you everything you need,  
All the lovin,  
All the diamond rings,

I'll sing you songs all night and day,  
But baby just don't run away,

Do you know that,  
You are beautiful,  
Cuz all I know is that I get weak everytime,  
You start to tease me under my sheets,  
Everytime you look at me,  
Cuz baby, baby your all I need.
