And I don't know  
Tomorrow you'll go  
All we have is now

And the only place I want to be  
Is lost with you  
The only place I want to be  
Is lost with you  
Oh...

Early on Tuesday  
We could be driving  
We could be far away from here

The sun will be shining  
No one will be minding

Let's just escape now have no fear

And the only place I want to be  
Is lost with you  
Yes the only place I want to be  
Is lost with you  
Oh...

The only place I want to be  
Is lost with you  
Yes the only place I want to be  
Is lost with you  
Oh...

Na na na na na na na na na  
Na na na na na na na na na  
Na na na na na na na na na  
Na na na na na na na na na
