When it's last call, call on me  
For a ride out of sympathy  
When you're not straight and you can't see  
The winding road for the long way home

When it's last call, call on me  
For a ride just to save your life  
Running out of time  
Tonight Tonight Tonight

When it's last call finish your drink  
Then remember to call on me  
I'll be the one to answer your plea  
And then you'll know  
A safe way home  
To drink another night  
Tonight Tonight Tonight
