How can you leave?  
How can you stay?  
Now that your hope  
Has faded away  
Nothing is here  
Nothing is there  
Caught between nothing  
Is something to bear  
And if you had some dream  
Do you remember?  
Do you recall?  
You dreamed alone  
If you dreamed at all  
So how can you stay here?  
But how can you go?  
If there's an answer  
You'll never know  
And if you had some dream  
Do you remember?  
Do you recall?  
You dreamed alone  
If you dreamed at all  
If you dreamed at all
