Soon you say you'll go away  
Cause there's a place we'd never find  
I don't want to make you stay  
And I don't want to change your mind  
I don't want to change your mind  
But I was hoping for a little feeling  
In the absence of more time  
Don't you think it's more appealing  
Than to leave this all behind?  
If you're flowing like a river  
To a hill you've got to climb  
I don't want to keep you here  
And I don't want to change your mind  
I don't want to change your mind  
I don't want to change your mind  
But I was hoping for a little feeling  
In the absence of more time  
Don't you think it's more appealing  
Than to leave this all behind?  
Your freedom is all you own  
There's nothing left for me to give you  
But I was hoping for a little feeling  
In the absence of more time  
Don't you think it's more appealing  
Than to leave this all behind?  
Soon you say you'll go away  
Cause there's a place you've got to find  
I don't want to make you stay  
And I don't want to change your mind  
I don't want to change your mind  
I don't want to change your mind  
I don't want to change your mind
