Don't tell them
They'll only drink your tears
Don't do it
Not in a hundred years
You know it, you feel it
I do too
Just listen
Something is calling you
What difference do you think that it makes
If you give or if it's you who takes?
I know it, I feel it
You do too
Just listen
You'll hear me calling you
What difference do you think that it makes
If you give or if it's you who takes?
I know it, I feel it
You do too
Just listen
Something is calling you
