Somewhere down the road
Iâ€™ll see you again
I donâ€™t know when
But I know youâ€™ll be the same
And I know Iâ€™ll be the same
Unchanged

Youâ€™ll free me again
But Iâ€™ll never be free
From memories
And I know your life will change
And I know my life will change
Unchained

Unchained unchained
We drift away
Like roses on the sea

Stars in the sky
Theyâ€™re always alone
Theyâ€™re on their own
But you know theyâ€™ll always shine
And I know theyâ€™ll always shine
All time
