There's nothing I can do
There's nothing I can do
To get close to you
To get close to you
I shouldn't even try
I shouldn't even try
I shouldn't even try
Still I wonder why
There's nothing I can do
There's nothing I can do
To get close to you
To get close to you
I shouldn't even cry
I shouldn't even cry
I shouldn't even cry
Still I wonder why
In my dreams I can fly
Through the clouds
Or I can die
But there's nothing I can do
To get close to you
I shouldn't even try
I shouldn't even try
I shouldn't even try
Still I wonder why
There's nothing I can do
To get close to you
