when u you're sitting on a john and the toilet paper is
gone
diarehha, diarehha

when you're chilling in the pool and u feel sumthin cool
diarehha, diarehha

when you're climbing up a ladder and u feel somethin
spladder
diarehha, diarehha

when u you're walkin down the street and a heavy leak
diarehha, diarehha

when you're walking down the hall and u feel sumethin
fall
diarehha, diarehha

when you're walkin downtown and u feel sumthin round
diarehha, diarehha
when you're out on a dance and u feel sumthin in your
pants
diarehha, diarehha

when you're falling asleep and u feel sumthin creep
diarehha, diarehha

when you jump in a bush and u feel sumthin smush
diarehha, diarehha
