"Burn"

Visit "[Burn](#)" on MotoLyrics.com

Look at the smoke rise higher and higher
Look at the house go down in the fire
Down in the fire, down in the fire
Down in the fire, down in the fire

The flames are hot, so you cannot stay
Nothing to do now but turn away
Turn away, turn away
Turn away, turn away

And burn, burn, burn, burn
Burn, burn, burn, burn

Fly through the woods on the wings of desire
You fly from the world but you're down to the wire
Down to the wire, down to the wire
Down to the wire, down to the wire

So burn, burn, burn, burn
Burn, burn, burn, burn
Burn, burn, burn, burn
