

Jesse Harris & The Ferdinandos

"While The Music Lasts"

Visit "[While The Music Lasts](#)" on MotoLyrics.com

See you out on the floor
Where the speakers blast
Dancing while the music lasts
Up above the stars shine
On the nights you've passed
Dancing while the music lasts
Dancing while the music lasts
Teach me, I want to know
How you move so fast
Dancing while the music lasts
Dancing while the music lasts
Waking up tomorrow
This will be the past
Dancing while the music lasts
Dancing while the music lasts
