Remember feeling
So alone?
Remember feeling
Like going home?

You never meant to
Be so cold
You never meant to
Let her go

Wild, wild, wild
Wild, wild, wild
Wild, wild, wild
Wild eyes

Remember feeling
So alive
Waiting for the
Sun to rise?

Wild, wild, wild
Wild, wild, wild
Wild, wild, wild
Wild eyes

The smoke was rising
Into the air
You took a drag and
Disappeared

Wild, wild, wild
Wild, wild, wild
Wild, wild, wild
Wild eyes
