Spotlights have funny glow,
They can keep you warm,
But they can make you go crazy.
Always gotta be the show,
So you never know,
What it's like being in the crowd.
Lately I'm hearinig people say,
You're a runaway and somebody's got to bring,
You back to reality,
Help you see the things,
That you might've been looking past,

(Chorus)

I ain't burning bridges,
I'm tryin' to mend them,
I apologize, if I ever hurt your feelings.
Got my own convictions,
And I've got to live them,
I ain't burning bridges,
That ain't my intention.

Ain't got nothing to hide,
Yeah, I'm good with God,
Soul is naked like water.
You and I wouldn't want to see,
The girl I'd be if I wouldn't have turned you down.
Show me so many things,
But the best would be,
Never ever roll over.
Stand up for what I believe,
And eventually, everyone will come back around.

(Chorus)

I ain't burning bridges,
I'm tryin' to mend them,
I apologize, if I ever hurt your feelings.
Got my own convictions,
And I've got to live them,
I ain't burning bridges,
That ain't my intention.

Always three side to every story,

There's your and there's mine,
But we've been ignoring,
The truth, it hides, behind a clear disguise,

(Chorus)

I ain't burning bridges,
I'm tryin' to mend them,
I apologize, if I ever hurt your feelings.
Got my own convictions,
And I've got to live them,
I ain't burning bridges,
That ain't my intention.
