I'm sorry to say we can't start over  
It's too late to rewind  
It isn't getting any easier  
At least we can say we tried

I'm sorry to say you pushed your luck  
Once too many times  
Looks as though you've had your shot  
And you've been left behind

Well it seems to me that we're all used up  
I'm straight out of here and it's your bad luck

I'm sorry to say I don't want to get beter  
I don't wanna try

I dont' want your full attention  
I don't want you to know  
Too much about what makes me tick  
Or why I have to go

Didn;'t leave me any choices  
I couldn't see things straight  
Figured out which side you're on  
And figured out too late

And it seems to me that we're all used up  
I'm straight out of here and it's your bad luck

I'm sorry to say I don't want to get beter  
I don't wanna try
