Mmmm yeahhh mmm.

Hey boy i would have thought that when you left me
I'd be broken with my confidence gone, so
gone/bummed..

Hey boy I would have thought that when you said
that you dont want me..
I'd feel ugly n sense something was wrong..
Standin' front of the mirror.. my skins never been
clearer
My smile has never been brighter.

I look so good without you,
Got me a new hairdo
Looking fresh n brand new
since you said "that were through"
Done.. with your lies,
Baby now my tears dried
You can see my brown eyes
Rver since you said goodbye
I look so good, i look so good without you
I look so good, i look so good without you

Hey i never would have thought that when you left me
I'd feel so sexy and so good in my skin.. again
And i never would have known, that I'd be dreamin' so
much better without you in my head
Standin' in front of the mirror, my clothes never fit
better..
I, My life's never been brighter..

I look so good without you
Got me a new hairdo
Looking fresh & brand new
Since you said "that were through"
Done.. with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye.

I look so good, I look so good without you
I look so good, I look so good without you.

Now baby my bodys lookin' better than before
Aint bitin' my nails since you walked out of the door.
I realized now i deserve so much more, than what you
give
Than what you give.. ohh ohh

I look so good without you
Got me a new hairdo
Looking fresh & brand new
Since you said "that were through"
I look so good without you,
Got me a new hairdo
Looking fresh & brand new
Since you said "that were through"
Done.. with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye

I look so good without you
Got me a new hairdo
Lookin' fresh n brand new
Since you said "that we're through"
Done.. with your lies
Baby now my tears dried
You can see my brown eyes
Ever since you said goodbye
I look so good, I look so good without you
I look so good, I look so good without you
