I'm wide asleep and I wanna be
I'm sound awake but I wanna see
I'm rolling over, don't tell on me
But how much more can I take
I have found the reason
And to me I go to pleasing
Every day and it a better way
I have found the key and know
I'm so completely on my way
And it's a better way everyday
First taste of freedom
Verve and rolling, what a ride
First taste of freedom
Speed and slow motion collide
We all have our wants and needs
Better pleasures make you bleed
And I need first taste of freedom
X-marks to spot, yea
I'm laying here on the floor
I'm rolling under, don't tell on me
Can I have some more
I have found the reason
And to me I go to pleasing everyday
And it's a better way
I have found the key

And now I am so completely on my way
And it's a better way everyday
FirFirst taste of freedom
Verve and rolling, what a ride
First taste of freedom
Speed and slow motion collide
We all have our wants and needs
Better pleasures make you bleed
And I need first taste of freedom
First taste of freedom
Verve and rolling, what a ride
First taste of freedom
Speed and slow motion collide
We all have our wants and needs
Better pleasures make you bleed
And I need first taste of freedom

Woa yea
First taste of freedom
Verve and rolling, what a ride
First taste of freedom
Speed and slow motion collide
We all have our wants and needs
Better pleasures make you bleed
And I need first taste of freedom
