I got my greasy little fingers
Pressing down on the keys
Gateway to the world any website please
I'm a pissed postal worker
Paper cuts on my thumb
Access information
Build a fertilizer bomb yea
Are you sure, press enter
Searching, download complete
Mainline, my mind online
How to live, how to love, how to kill, yea
Mainline, my mind online
How to walk, how to talk, how to breathe, yea
How to touch, how to fuck, how to feel, yea
How to live, how to love, how to kill, yea
Yea, yea, yea
Got my greasy little mind
Focused on your credit line
URL there you are
Add the 9, your credit's mine
Computer religion
A hacker's paradise
Why should I work
Your 8 hours will suffice
Are you sure, press enter
Searching, download complete
Mainline, my mind online

How to live, how to love, how to kill, yea
Mainline, my mind online
How to walk, how to talk, how to breathe, yea
How to touch, how to fuck, how to feel, yea
How to live, how to love, how to kill, yea
Yea, yea, yea
I got my greasy little fingers
Pressing down on the keys
Accessing porn, accessing sleaze
Virtual wrong, virtual right
Virtual, virtual love
Mainline, my mind online
How to live, how to love, how to kill, yea
Mainline, my mind online

How to walk, how to talk, how to breathe, yea
How to touch, how to fuck, how to feel, yea
How to live, how to love, how to kill, yea
How to walk, how to breathe, how to talk, yea
How to live, how to love, how to kill, yea
How to touch, fuck, feel
Yea, yea, yea
Yea, yea, yea
