You are the reason
Like dust on the floor it's swept away
Yea, you are the reason
For the ashes of the day
The hand that fans the flame
The here and now cast an ugly shadow
You can talk about it
When I would scream about
I can't listen anymore
You can analyze me
You can criticize me
But I can't take it anymore, no more
You are the reason
And all you think and feel is a must
Now you think for me
I can feel for you
And I'm choking on the crust
Of your priceless advice
Now is here
AND it's hard to swallow
You can talk about it
Where I would scream about

I can't listen anymore
You can analyze me
You can criticize me
I can't take you anymore
You are the reason
That I have a reason
To never reason with reason
So here's you another reason
Oh and if I make you sick
Yea, I make you sick
Cause I don't wanna change the world
You can talk about it
Where I would scream about
I can't listen anymore
You can analyze me
You can criticize me
I can't you anymore
I can't you anymore
No, no, no, no

You think I'm rude and crass
I think you're a candy ass
I can't take you anymore
