Oooo girl, spend a little time
IÂ'd like to know just whatÂ's on your mind
YouÂ're not too happy baby well, neither am I
We gave our love and now they make us cry

Now itÂ's you and me all alone
Relax baby let our feelings take control
With time on the run I have one wish baby
For me and you girl aww letÂ's uh,

LetÂ's kiss uh!
Baby letÂ's kiss
No, no, no, no

Oooo girl, I wonder if you know
You make me want to get physical
So take your time baby take it slow
IÂ'm so in love girl IÂ'll never let you go

All along, just you and me
WeÂ're so good baby, wouldnÂ't you agree?
With time runninÂ' out I have one wish baby
For me and you girl, aww letÂ's uh,

LetÂ's kiss uh!
Baby letÂ's kiss
Baby letÂ's kiss
Oh!

All of my life people tellinÂ' that I ainÂ't no good
They always try to make me out to be what they think I
should
Yeah, yeahhh
But now that youÂ're part of my life, aww yes you are
Together I know we can go very far
Yeah, yeahhh

Ooo! No, no, oh, no, no yeah, h, h
Baby letÂ's kiss
CÂ'mon a, hey, hey no, no, no
Baby letÂ's kiss

Rub my body baby, touch my body baby, hold my body
baby
CÂ'mon a, hey, hey no, no, no
Baby letÂ's kiss

Baby letÂ's kiss (x4)
