Everybody's talking 'bout the way you hurt me all the  
time  
Everybody's talking. girl, ooh, you blow my mind  
Everybody knows, pretty baby, how much I loved you so  
That's why, girl, ooh I've got to let you know

(I, I...)  
I'm living in a fool's paradise  
(I, I...)  
I'm living in a fool's paradise for your love, girl, hey  
yeah

Sometimes I think you're just using me for my car  
But that's alright, honey, 'cause I know you're not going  
to far  
You know I don't care anymore girl, I put my pride  
aside  
I'm stone in love wit'cha girl, I just wanna make you  
mine

(I, I...)  
I'm living in a fool's paradise  
(I, I...)  
God, I gotta let you know, girl, yeah-eah-yeah, I gotta!

(Blazing guitar solo)

(I, I...)  
I'm living in a fool's paradise  
(I, I...)  
Gonna make you mine

Everybody's talking 'bout the way you play with my  
mind  
Everybody's worried 'bout the way, girl, I'm wasting my  
time  
You know I don't care, girl, 'cause I got a lot, a lot of  
time to lose  
That's why I play my cards, baby, 'cause I got to win  
you

(I, I...)

I'm living in a fool's paradise  
(I, I...)  
I'm living in a fool's paradise  
(I, I...)  
I'm living in a fool's paradise
