Nobody likes the way I hold my mic
They say it's too much like my friend
The clothes that I wear, the way I comb my hair
Makes them come out to offend

Didn't you know I knew yourself you're not too cool
What makes you want to mess with my life?
I think I'll buy a gun, go out & have some fun
Maybe even come & take your wife
Somebody tell 'em...

Have you heard? it's a free world & it's mine
Have you heard? it's a free world & it's mine

Heard you like to rock, but I'm not at the top
What makes you point your finger at me?
You don't think I'm hot, then why & try to stop
Your girlfriend from dancing to my beat?

How would it make you feel to know you're so for real
& have someone to call you a lie?
I think you'd buy a gun, go out & have some fun
But then again, maybe kiss suicide
Good God, tell 'em

Have you heard? it's a free world & it's mine
Have you heard? it's a free world & it's mine
VanDell... b-b-b-band
Turn it up, good God
Somebody, somebody, somebody hit me
Good God, turn it up!

Heard you like to rock, but I'm not at the top
What makes you point your finger at me?
You don't think I'm hot, then why & try to stop
Your girlfriend from dancing to my beat?
Ya know why? because

Have you heard? it's a free world & it's mine
Somebody help me out
Have you heard? it's a free world & it's mine
Kiss this, uh!

Gerry... oh Lawd!
Turn on my guitar

Somebody wants to party? (yeah, yeah)
Does somebody want to dance? (yeah, yeah)
Uh, said somebody wants to party? (yeah, yeah)
Does somebody want to dance? (yeah, yeah)
Wait a minute
Somebody wants to party? (yeah, yeah)
Said somebody want to dance? (yeah, yeah) ho!
Somebody wants to party? (yeah, yeah)
Wait a minute
Does somebody want to dance (yeah, yeah)
Everybody

Na, na na na, na, na na (whak!)
Na, na na na, na, na na (go 'head)
