There's something 'bout me that you ought to know.
I never felt the need to lose control.
Always held on back and played it slow.
But not this time.
Baby, don't be gentle,
I can handle anything.

Baby,
Take me on a journey.
I've been thinking lately,
I could use a little time alone with you.
Crazy,
Let's do something, maybe.
Please don't take your time,
You got me,
Right where you want me.

Girl,
I'm gonna let you have your way with me.
When you move like that,
Its hard to breathe.
I never thought that it could be like this,
But I was wrong.
Baby, don't be gentle,
I can handle anything.

Baby,
Take me on a journey.
I've been thinking lately,
I could use a little time alone with you.
Crazy,
Let's do something, maybe.
Please don't take your time,
You got me,
Right where you want me.

Can't explain it,
How you swept me off my feet, unexpectedly.
In slow motion,
My imagination running trying to keep my body still,
I can hardly stand the thrill.

Baby, don't be gentle,
I can handle anything.

Baby,
Take me on a journey.
I've been thinking lately,
I could use a little time alone with you.
Crazy,
Let's do something, maybe.
Please don't take your time,
You got me,
Right where you want me.
