Merry Christmas Santa

Christmas comes this time each year

Well way up north where the air gets cold  
There's a tale about Christmas that we've all been told  
And a real famous cat all dressed up in red  
And he spends the whole year workin' out on his sled

It's the little Saint Nick (repeat 2x)

Just a little bob sled he calls Little Saint Nick  
But she'll walk the toboggan with a four speed stick  
She's candy apple red  
With a ski for a wheel  
And when Santa hits the gas  
Man just watch her peel

It's the little Saint Nick (repeat 2x)

Run run reindeer (repeat 4x)

He don't miss no one

Haulin through the snow  
At a frightening speed  
With a half a dozen reindeer  
With the Rudy the lead

He's gotta wear his goggles  
Cause the snow really flies  
And he's cruisin' every pad  
With a little surprise

It's the little Saint Nick (repeat 2x)

I don't miss no one

Repeat Verse 1

It's the Little Saint Nick (repeat 2x)

Merry Christmas Santa  
Christmas comes this time each year
