Some might wake up in a doorway  
Some live in mansions, sick and sad  
Some decay without the glory  
And never realize what they had

I'm not wasting away my dreams  
In shadows and shade, love streams  
I'm not wasting away

Spent my childhood at the movies  
With Lenny Bruce and young Joe Buck  
One day you'll wake up and you're 30  
And you can't even drive a truck

I'm not wasting away my dreams  
In shadows and shade, love streams  
I'm not wasting away, no, no

Heading back where I come from  
Beyond the valley and the neon sun  
At 3'clock when that bell rung  
Well, every moment left unsung  
Still yours, it's all I got

I'm not wasting away my dreams  
In shadows and shade, love streams  
I'm not wasting away, no, no
