There's something special happening here...  
I feel it comin' in the air... x2

Tonight  
We're living in the moment tonight  
A toast to the homies tonight  
The night keeps going  
The music keeps flowing  
And everybodys feeling alright  
Cause we're just living the life  
The feeling never dies...

It can't be stopped  
It wont be stopped  
We just can't stop it tonight...

There's something special happening here...  
I feel it comin' in the air... x2

We the life of the party  
We don't stop, we go hard  
So everybody lift up your cup  
And throw your hands up  
And make it special

Tonight... Top of the world tonight  
Felling No.1 Tonight  
Big, big plans  
It's all in our hans  
And it can be what ever we like  
Don't waste a minute tonight  
Cause ain't no limits tonight

It can't be stopped  
It wont be stopped  
We just can't stop it tonight...

There's something special happening here...  
I feel it comin' in the air... x2

We the life of the party

We don't stop, we go hard  
So everybody lift up your cup  
And throw your hands up  
And make it special

Tonight

(Oh oh oh oh oh oh oh oh)

We the life of the party  
We don't stop, we go hard  
So everybody lift up your cup  
And throw your hands up  
And make it special

Tonight

There's something special happening here...  
I feel it comin' in the air... x2
