Yeah once again there's some what's in the pen
Sean hear ya boy case but I'm blowin' in the wind
I got my young boy clizzy gettin' at the Nizzy
Don't you be with me and we be gettin' undressed

What you see something that you need
Spend the night with me and I'll rock you
Oh believe you ain't been a tree
Till you follow me and I'll rock you

She scrambled for the camera
I got her blowin' in the wind like I'm nirvana
Wait a minute I don't think y'all heard me I said nirvana
That means I'm rockin' in the rocks in Montana

All I wanna do is get at you like like I see baby
Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either

And I'ma rock you I gotta see that hey hey hey
Girl I'll rock you come give me some of that hey hey
hey
You want a love and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin'
alright
You want to work you wanna be the boss of my house
Well you must not have a clue
Of what that ticket's gonna cost you
I'ma rock you

Hey mama my car runnin'
Oh you like we a track team in a bohoggin
Put it on my car's gotta go at least two hundred
So when the cops clock me they better bleep flow it

All I wanna do is get at you like like I see baby
Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either

And I'ma rock you I gotta see that hey hey hey
Girl I'll rock you come give me some of that hey hey
hey
You want a love and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin'
alright
You want to work you wanna be the boss of my house
Well you must not have a clue
Of what that ticket's gonna cost you
I'ma rock you

They call me Jesse baby can't tell me nothing baby
They call me Jesse baby I wanna tell you something

All I wanna do is get at you like like I see baby
Eat at your heart like the drums on my beat baby
You and me we gonna travel like a visa
And I ain't worried 'bout what I'm spendin' either

And I'ma rock you I gotta see that hey hey hey
Girl I'll rock you come give me some of that hey hey
hey
You want a love and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin'
alright
You want to work you wanna be the boss of my house
Well you must not have a clue
Of what that ticket's gonna cost you
I'ma rock you
You wanna give me that hey hey hey
Girl I'ma rock you I never seen her hey hey like that
You want a love and I just wanna feel it for the night
Pull you something that'll make sure you'll be feelin'
alright
You want to work you wanna be the boss of my house
Well you must not have a clue
Of what that ticket's gonna cost you
I'ma rock you
