I've been watching you  
Cant believe just what I'm seeing  
You've been watching me  
Yeah baby better believe it  
If you wanna dance  
Here's your chance to make a right  
If you want romance  
Baby I'll take you home tonight  
(oh oh oh oh)  
I know exactly what you want to hear  
(oh oh oh oh)  
I'm gonna give it to ya

Chorus:

(woo)Baby girl its on tonight  
(woo)I'm(a) gonna keep you by my side  
(woo)Hold you close and do you right  
Turn of all the lights and lay back while I blow your  
mind  
(woo)I can't stop living this life  
(woo)Let's do it you and I  
(woo)Cause baby I'm(a) make you mine  
Gonna have to take a deep breath when I blow your  
mind

She left me on the floor  
Kept me on my knees she's begging for a little more  
Room was hot, the fire burning  
Can't believe the girl  
Show you how to keep it going  
I'm(a) rock your world  
Baby the temperature is growing

(oh oh oh oh)  
She leaned over and whispered in my ear...  
(oh oh oh oh)  
Im gonna give it to you

Chorus

(woo)Baby girl its on tonight  
(woo)I'm(a) gonna keep you by my side

(woo)Hold you close and do you right  
Turn of all the lights and lay back while I blow your  
mind  
(woo)I can't stop living this life  
(woo)Let's do it you and I  
(woo)Cause baby I'm(a) make you mine  
Gonna have to take a deep breath when I blow your  
mind

Bridge  
Come on let and let it ride  
I feel it in your eyes  
So tell me anything you wanna me cause there's  
nothing that I wouldn't do

Chorus  
(Yeah yeah) Baby girl its on tonight  
And I'm(a) gonna keep you by my side  
Hold you close and do you right  
Turn of all the lights and lay back while I blow your  
mind

Chorus  
(woo)Baby girl its on tonight  
(woo)I'm(a) gonna keep you by my side  
(woo)Hold you close and do you right  
Turn of all the lights and lay back while I blow your  
mind  
(woo)I can't stop living this life  
(woo)Let's do it you and I  
(woo)Cause baby I'm(a) make you mine  
Gonna have to take a deep breath when I blow your  
mind

Repeat  
Can't stop living this life  
Let's do it you and I  
Cause baby im gonna make you mine gonna have to  
take a deep breath when I blow your mind
