Under the silver stars,
Right where he broke your heart.
Girl you know, I'd give you anything
I wanna hold your hand,
And say the words he never said.
I'll make you promises you can believe.

[Chorus]

Let me be the one,
Telling you it's alright
Sharing the smiles and tears you cry.
Let me be the one,
Loving you when you're weak.
For all of the strength you need,
You can come to me.

When you're down and you feel so lonely
Turn around, you can come to me
When you're down baby, i will be the only
Come to me

You can just be yourself,
'Cause I don't want nobody else.
All of your secrets are safe with me.
For the kind of love you can trust,
For more than just a crush,
Baby, why don't you just come to me?

[Chorus]

Let me be the one,
Telling you it's alright
Sharing the smiles and tears you cry.
Let me be the one,
Loving you when you're weak.
For all of the strength you need,
You can come to me.

When i got you in my arms(got you in my arms)
Say it's where you wanna be (where you wanna be,
yeah)
'Cause girl i'm down on my knees
Promising my heart oh, my heart

[Chorus]
Let me be the one,
Telling you it's alright
Sharing the smiles and tears you cry.
Let me be the one, (let me be the one)
Loving you when you're weak.
For all of the strength you need,
You can come to me.

[Chorus]
Let me be the one,
Telling you it's alright (alright)
Sharing the smiles (sharing the smiles sharing the
smiles babe)
And tears you cry.
Let me be the one,
Loving you when you're weak.
For all of the strength you need,
You can come to me.

Whenever you need me I
Whenever you need me girl
Whenever you need me I
Oh i'll be there whenever you need me I'll (just reach
out)
Whenever you need me girl
Whenever you need me I
Oh i'll be there
Just reach out reach out reach out for me.
