[Jesse]

W-w-we know

[Girl]

Boy, you know I like you, but... I don't normally do this

I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Girl]

Boy, you know I like you, but... I don't normally do this

I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Girl]

Boy, you know I like you, but... I don't normally do this

I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Girl]

Boy, you know I like you, but... I don't normally do this

I don't normally, I-I-I don't normally do this

[Verse 1: Jesse]

Sick, cool thing with wiggle made her giggle when I
met her

She started off kinda hard to get, told her I'd get her
She said she likes them real, and real's what I'm gonna
give her

I could tell she had a heart broke 'bout 3-4 times; girl
by me, never

We at the movie, she all into me

I'm looking at her at the corner of my eyes... what's she
doing?

She got up out of her seat, nowhere to be found, found
Her girlfriends looking for her, they don't know we
fooling around, 'round

[Pre-hook: Jesse]

She told me she ain't ever made no one that made her
wanna

And she don't know what it is that has come over her
She giving me signals, like she done, she done fell in

love

I don't know if that's what we're doing but I wanna tear
it up

[Chorus]

When we got to the car she said "I don't normally do
this..."

Just keep your eyes on the road while I do this"

She was giving to me what I never saw give into me
Opened my eyes, said "it's the first time", she don't
normally do this

We got to the house, and we're going

Still can't believe my eyes and the things that she's
doing

Cut off every (?) like we still at the movie

Girl, you feel so good, I thought you don't normally do
this

[Girl]

Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Girl]

Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Verse 2: Jesse]

Now we're getting deeper, now you wanna own me

Telling me I gotta only be your one and only

Can't lie, you got everything that I ever wanted

Shape on fire like a younger Beyoncé

The sexy things you do to me, I can't stop

I love the way you're so rando'

Then how you make me come and get you

Then Michael J. 'Rock With You'

[Pre-hook: Jesse]

She told me she ain't ever made no one that made her
wanna

And she don't know what it is that has come over her

She giving me signals, like she done, she done fell in
love

I don't know if that's what we're doing but I wanna tear
it up

[Chorus: Jesse]

When we got to the car she said "I don't normally do
this..."

Just keep your eyes on the road while I do this"
She was giving to me while I never saw give into me
Opened my eyes, said "it's the first time", she don't
normally do this
We got to the house, and we're going
Still can't believe my eyes and the things that she's
doing
Cut off every... like we still at the movie
How do you feel so good, I thought you don't normally
do this

[Girl]
Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally
[Jesse]
W-w-w-w-we know
[Girl]
Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally
[Jesse]
W-w-w-w-we know

[Verse 3: Tyga]

Beauty
Ooh wee
I told you introduce me
"Hey how you doing?" I said "my name is _" (doing)
But you already knew this,
So don't be acting stupid
A-alright, I'm everything these girls like
I know it ain't your first time so don't be acting shy
I run my fingers through your hair
Then I lay you on the bed
After that, she say

[Girl]
Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally
[Jesse]
W-w-w-w-we know
[Girl]

I don't normally, I-I-I don't normally
[Jesse]

[Girl]
Boy, you know I like you but... I don't normally do this
I don't normally, I-I-I don't normally

[Jesse]

W-w-w-w-we know

[Girl]

Boy, you know I like you but... I don't normally do this

I don't normally, I-I-I don't normally do this
