International --?-- on the hills
see the house, see the car, check the watch I'm for
real
Jump up in my ride, baby kick of your heels
You can fix your make-up on the way, baby chill chill
and now she's kissin' on me, got me so high
she said she really liked me
'cause I'm a nice guy guy guy guy

(Jesse)

I took her down to the beach for the weekend
we hit the Malibu shops and the drive-in
I bought her all the fancy things that she wanted
I think she liked me
Naah she like my money

Oohoo

(Girl)

He took me down to the beach for the weekend
I made him buy me everything that I wanted
He's feeling lucky, I'm gonna let 'em keep dreamin'
He thinks I like 'em, huh - I like his money

I know she's the one, 'cause she laughs at my jokes
gonna take her home, introduce her to my folks (hey
mom)

she's a classic girl, but a freak on the low
and I know she'll never leave me even if I went broke
and even though I got it, even though I'm fly
she knows what really matters
is on the inside side side side

(Jesse)

I took her down to the beach for the weekend
we hit the Malibu shops and the drive-in

I bought her all the fancy things that she wanted
I think she liked me
Naah she like my money

Oohoo

(Girl)

He took me down to the beach for the weekend
I made him buy me everything that I wanted

He's feeling lucky, I'm gonna let 'em keep dreamin'

He thinks I like 'em, huh - I like his money

(Jesse)

You know me, humble guy

I could be the one that change your life

Play no games, tell no lies

You could be the one that's by my side

(Girl)

I like that, yeah that's cool

First I'm gonna need them keys to the coop

(Jesse:) I love you girl

I know you do

But me and my girls got things to do

Do do do do do dododo...

(Jesse:) like what?

(Girl)

He took me down to the beach for the weekend

I made him buy me everything that I wanted

He's feeling lucky, I'm gonna let 'em keep dreamin'

He thinks I like 'em, I like his money

(Jesse)
