"In My Veins"

Visit "[In My Veins](#)" on MotoLyrics.com

I'm an addict, a junkie, a fiend.
I gotta have it, it keeps callin' for me.
I need a fix, a quick hit.
My body's achin' hand are shakin' for it.

It's like dope, man, cause it's so dope man.
I'm a customer get service on the regular.
With that drug, man, it keeps me up man.
Can't get enough, no I can't get enough.

Its like a blood rush straight to my head,
When I think about you in my bed.

She's all up in my veins.
Ooh, I got addicted.
Her love is so addictive.
It took over me.

She's all up in my veins.
It's like I got a shot.
Injection to my heart.
It flows through my body.

She's all up in my veins.
And I need it everyday.
Good lovin' oh baby,
Ooh yay, ooh yay.

She's all up in my veins, veins, veins.
She's all up in my veins, veins, veins.
Ooh, oh.

Take the car, the keys to the crib.
The pin number to the ATM.
All my money, you can have it all,
For a hit, hit, hit.

Ain't no rehab gon help because I'm feelin' out of
control.
You're the medicine baby write me up for one more
dose.
I'm high as a kite now,

Ooh, and I'm floating on cloud nine.

Its like a blood rush straight to my head,
When I think about you in my bed.

She's all up in my veins.
Ooh, I got addicted.
Her love is so addictive.
It took over me.

She's all up in my veins.
It's like I got a shot.
Injection to my heart.
It flows through my body.
She's all up in my veins.
And I need it everyday.
Good lovin? oh baby,
Ooh yay, ooh yay.

She's all up in my veins, veins, veins.
She's all up in my veins, veins, veins.
Ooh, oh.

Shawty, the love you give,
It's so insane it's like,
Ooh ooh, ooh ooh, ooh ooh, ooh ooh.

Shawty the love you give,
It's on my brain it's like,
Ooh ooh, ooh ooh, ooh ooh, ooh ooh.

Are you ready? Cause I'm ready.
Ooh ooh, are you ready? Cause I'm ready.
Girl get ready, cause I'm ready.
Ooh ooh ooh, girl I'm addicted to you.

She's all up in my veins.
Ooh, I got addicted.
Her love is so addictive.
It took over me.

She's all up in my veins.
It's like I got a shot.
Injection to my heart.
It flows through my body.

She's all up in my veins.
And I need it everyday.
Good lovin? oh baby,
Ooh yay, ooh yay.

She's all up in my veins, veins, veins.
She's all up in my veins, veins, veins.
Ooh, oh.

She's all up in my veins, yeah,
She's all up in my veins?
