Mmmm...

Hey baby girl I been watching you all day
Man, that thing you got behind you is amazin'
You make me want to take you out and let it rain
I know you got a man but this is what you should say

[Chorus]

Why don't you tell him that
I'm leavin' never to come back again
You found somebody who does it better than he can
No more making you cry
No more them grey skies
Girl we flyin' on the G5, G5
And we're leavin' never looking back again
So call your shorty and tell him you found a new man
The one that's so, so fly
The one keepin' you high
Have you singin' all night like that
Oh oh oh oh oh oh oh
Man she gonna be singing...
Oh oh oh ohh oh oh ohh oh oh ohhh

Now if I talk it girl you know that I'ma walk it out
Man I put my money, money where my mouth is
Cuz you're the baddest little thing that I ever seen
So I'm gonna ask you one time if you got a man...

[Chorus]

Why don't you tell him that
I'm leavin' never to come back again
You found somebody who does it better than he can
No more making you cry
No more them grey skies
Girl we flyin' on the G5, G5
And we're leavin' never looking back again
So call him shorty and tell him you found a new man
The one that's so, so fly
The one keepin' you high
Have you singin' all night like that
Oh oh oh oh oh oh oh
Man, she gonna be singin'
She gonna be singin' uhh

She gonna be singin'
She gonna be singin'
Boy you got me singin'

[Bridge]

Don't stress, Don't Stress, Don't stress
Just turn him to the left, left, left
Don't stress, Don't Stress, Don't stress
Cuz we gone, and we gone, and we gone
No stress, No stress, No stress
Girl you deserve nothing but the best
No stress, No stress, No stress

[Chorus]

Girl, you need to tell him that
I'm leavin' never to come back again
You found somebody who does it better than he can
No more making you cry
No more them grey skies
Girl we flyin' on the G5, G5
And we're leavin' never looking back again
So call your shorty and tell him you found a new man
The one that's so, so fly
The one keepin' you high
Have you singin' all night like that
Oh oh oh oh oh oh oh
Man she gonna be singing
Oh oh oh ohh oh oh ohh oh oh ohhh
Gonna be singin' all night like that
Ahh ahh ah
Man, she gonna be singin'
She gonna be singin' uhh...
She gonna be singin', She gonna be singin',
Ohhh, you got me singin'
