Mmm, hey baby girl, I been watchin' you all day  
Man, the way you make me feel is so amazin'  
You make me wanna turn around and look again  
I know you got a man but this is what you should say

Why don't you tell him that I'm leavin', never lookin'  
back again  
You found somebody who does it better than he can  
No more makin' you cry, no more them gray skies  
Girl, we flyin' on the G5, G5

And we're leavin' never lookin' back again  
So call your shawty and tell him you found a new man  
The one that's so so fly, the one that make you smile  
Have you singin' all night night night

(Oh, oh, oh)  
Yeah  
(Oh, oh, oh)  
Man, she gon' be singin'  
(Oh, oh, oh)  
She gon' be singin' like, oh oh oh  
(Oh, oh, oh)

Now if I talk it girl, you know that I'ma walk it out  
Man, I put my money money where my mouth is  
'Cause you the baddest little thing that I ever seen  
So I'ma ask you one time if you got a man

Why don't you tell him that I'm leavin', never lookin'  
back again  
You found somebody who does it better than he can  
No more makin' you cry, no more them gray skies  
Girl, we flyin' on the G5, G5

And we're leavin', never lookin' back again  
So call your shawty and tell him you found a new man  
The one that's so so fly, the one that make you smile  
Have you singin' all night night night

(Oh, oh, oh)  
(Oh, oh, oh)

Man she gon' be singin'  
(Oh, oh, oh)  
She gon' be singin', uh, she gon' be singin'  
(Oh, oh, oh)  
She gon' be singin', girl, you gon' be singin'

Don't stress, don't stress, don't stress  
Just tell him to the left left left  
Don't stress, don't stress, don't stress  
We gone and we gone and we gone

No stress, no stress, no stress  
Girl, you deserve nothing but the best  
No stress, no stress, no stress  
Girl, you need to tell him

I'm leavin', never lookin' back again  
You found somebody who does it better than he can  
No more makin' you cry, no more them gray skies  
Girl, we flyin' on the G5 G5

And we're leavin', never lookin back again  
So call your shawty and tell him you found a new man  
The one that's so so fly, the one that make you  
smile  
Have you singin' all night night night night night

(Oh, oh, oh)  
(Oh, oh, oh)  
Man she gon' be singin', oh  
(Oh, oh, oh)  
(Oh, oh, oh)  
Have you singin' all night, night, night, night, night

(Oh, oh, oh)  
(Oh, oh, oh)  
Man she gon' be singin'  
(Oh, oh, oh)  
She gon' be singin', uh, she gon' be singin'  
(Oh, oh, oh)  
She gon' be singin', girl, you gon' be singin'
