Under the silver stars
Right where he broke your heart
Girl you know, I needed anything
I wanna hold your hand
And say the words he never said
I'll make you promises you can believe

Let me be the one, telling you it's alright
Sharing the smiles and tears you cry
Let me be the one
Loving you when you're weak
For all of the strength you need
You can come to me

When you're down and you feel so lonely
Turn around, you can come to me
When you're down baby, I will be the only
Come to me

You can just be yourself
'Cause I don't want nobody else
All of your secrets are safe with me, yeah
For the kind of love you can trust
For more than just a crush
Baby, why don't you just come to me?

Let me be the one, telling you it's alright
Sharing the smiles and tears you cry
Let me be the one
Loving you when you're weak
For all of the strength you need
You can come to me

When I've got you in my arms
(Got you in my arms)
Say it's where you wanna be
(Where you wanna be, yeah)
'Cause girl I'm down on my knees
Promising my heart oh, my heart

Let me be the one, telling you it's alright
Sharing the smiles and tears you cry

Let me be the one
(Let me be the one)
Loving you when you're weak
For all of the strength you need
You can come to me

Telling you it's alright
Sharing the smiles
Sharing the smiles
Sharing the smiles, baby

Let me be the one
Loving you when your weak
For all of the strength you need
You can come to me

Whenever you need me, oh
(Always here)
Whenever you need me, girl
Whenever you need me, oh
(Right here)
Oh, I'll be there

Whenever you need me, oh
(Treat you)
Whenever you need me, girl
Whenever you need me, oh
Oh, I'll be there
