#### VERSE 1

Sorry for all the times that he lied  
and left your heart hanging  
i can't imagine what that feels like  
but that was another place  
and that was another time  
it's not fair to blame me for all of his crimes  
just for a minute  
give me a chance let me inside  
just for a minute, baby just for a moment  
let me prove i'll do things right

#### CHORUS

Let down your guard  
and show me your colors  
don't fight it anymore  
show me your with me  
open your arms  
i'm not like the others  
don't fight it anymore, no  
what will it take for me to make you see  
i'm not your enemy

#### VERSE 2

Funny how the day that he left  
i wasn't even there  
it's become a nightmare but i'll never rest  
til you give your all  
i'll take nothing less  
til i hear happily aft the end  
just for a minute  
give me a chance let me inside  
just for a minute, baby just for a moment  
let me prove i'll do things right

#### CHORUS

#### BRIDGE

How do you expect things to get any better  
if you keep me on the sidelines  
don't you know

there's a million things i wanna i wanna do but you  
gotta meet me half way you gotta try

CHORUS
