What would you do if I gave it all to you
And I traded in the limelight?
What would you say if I threw it all away
Just to be with you for one night?

What would I turn your head back?
Would you take my hand?
'Cause you knocked my senseless
Girl, I will do anything

For just one night, we only got one night
I'm looking in your eyes, they're taking me over
Girl just one night, we've only got one night
Till we see the sunrise before it's all over

Tonight fades away in my arms you will stay
For this one night, we've only got one night
This is our last night before it's all over
Whoa, oh, oh, oh, whoa, oh, oh, oh

What if I told you that I have always loved you
And never got a fair shot?
What if you knew that when I look at you with someone
else
It makes my heart stop?

But would you keep me chasing?
Would you play it cool?
Girl won't you give me something?
'Cause I've given everything

For just one night, we only got one night
I'm looking in your eyes, they're taking me over
Girl just one night, we've only got one night
Till we see the sunrise before it's all over

Tonight fades away in my arms you will stay
For this one night, we've only got one night
This is our last night before it's all over
Whoa, oh, oh, oh, whoa, oh, oh, oh

I can't find peace without you

I can't feel nothing when you're gone
I want this earth to find you
Now here we are

For just one night, we only got one night
I'm looking in your eyes, they're taking me over
Girl just one night, we've only got one night
Till we see the sunrise before it's all over

Tonight fades away in my arms you will stay
For this one night, we've only got one night
This is our last night before it's all over
Whoa, oh, oh, oh, whoa, oh, oh, oh

I can't find peace without you
I can't feel nothing when you're gone
I want this earth to find you
Now here we are

For just one night, we only got one night
I'm looking in your eyes, they're taking me over
Girl just one night, we've only got one night
Till we see the sunrise before it's all over

Tonight fades away in my arms you will stay
For this one night, we've only got one night
This is our last night before it's all over
Whoa, oh, oh, oh, whoa, oh, oh, oh
