I could write a paragraph
In my sleep
I could sing a million songs
In perfect key
And I could perform a Broadway show
Up on a stage
But in front of you
My mind goes blank.

'Cause you've got a glow like
Sunsets in autumn
Perfect like summer nights in July
And I don't know how what
When or why but
Whenever I look into your eyes.

[Chorus]

I run out of words to say
I run out of words to say
I run out of words to say
I run out words
Run out of words
Run out of words to say.

I could win a scrabble game
Any day
I could teach myself to play
A symphony
But there's something about
Your perfect smile
That weakens me
And it ties my tongue every time.

'Cause you've got a glow like
Sunsets in autumn
Perfect like summer nights in July
And I don't know how or
When or why but
Whenever I look into your eyes.

[Chorus]

I run out of words to say
I run out of words to say
I run out of words to say
I run out of words

Run out of words
Run out of words to say.

What's behind those eyes
That leaves me paralyzed?
Speechless every time
I'm going out of my mind
The sun stops when you're near
Girl, it's crystal clear
One day you will hear
The sound of my heart.

[Chorus]
I run out of words to say
I run out of words to say
I run out of words to say
I run out of words
Run out of words
Run out of words to say.
