I'm not pushing you
Baby don't you worry
We won't go too fast
Take it slow
Maybe we can discover
Just how long this can last
I want to show you baby with every word and caress
How to get us where we're going
Ah but you just don't get it

(Chorus)

I'll be not there to treat you fine
Give you more than just a sign
Gonna show you that my love is true
Tell me how to find the groove
I'll do all I can to prove
My heart beats steady
Cause I'm so ready for you

I can tell
Just how much you love me
But I love you more
I found out
The kind of love that's sweetest
Is worth waiting for

You've gotta trust me baby
If you still want to play
Just keep on what we're doing
Ah baby don't you get it

(Chorus)

I'll be there to treat you fine
Give you more than just a sign
Gonna show you that my love is true
Tell me how to find the groove
I'll do all I can to prove
My heart beats steady
Cause I'm so ready for you

(Chorus 2x)

I'll be there to treat you fine
Give you more than just a sign
Gonna show you that my love is true
Tell me how to find the groove
I'll do all I can to prove
My heart beats steady
Cause I'm so ready for you
