Running away  
Running away  
Hey  
Running away

I had the perfect girl  
We'd spend together hours everyday  
Could say that I had it made  
And I was all for the commitment  
Then she started wanting more from me  
And my mind began to change  
Suddenly I didn't feel the same  
I didn't know what I was doing

I was dodging commitment  
Start but don't finish  
My MO's always the same girl  
I know I've been trippin'

I'm confessin' I'm confessin'  
So baby just hear me out  
I'm confessin' I'm confessin'  
So baby just hear me out  
I wanna show my heart  
But I don't know where to start

So I keep runnin'  
With real love in my face  
Why am I breakin' away?  
I keep runnin'  
So scared of the heart break  
So scared of making mistakes  
I keep runnin'  
When all I really need is you  
All I really need is you  
But I keep on running away  
Runnin' away  
Hey

I caught a second wind of happiness  
When I met this girl and then  
We became the best of friends

We went from half full to half empty  
I took a detour tryin' a find myself  
But I'm on this road again  
Want out of this box I'm in  
I made it harder to be with me

I was dodging commitment  
Start but don't finish  
My MO's always the same girl  
I know I've been trippin'

I'm confessin' I'm confessin'  
So baby just hear me out  
I'm confessin' I'm confessin'  
So baby just hear me out  
I wanna show my heart  
But I don't know where to start

So I keep runnin'  
With real love in my face  
Why am I breakin' away?  
I keep runnin'  
So scared of the heart break  
So scared of making mistakes  
I keep runnin'  
When all I really need is you  
All I really need is you  
But I keep on running away  
Runnin' away  
Hey

I'm bout to break down baby I'm done  
No I can't keep up runnin' (runnin') this marathon  
No need to race when I already won  
And if I got you by my side girl I already won  
It's like lookin' for a treasure when it's already mine  
It don't make sense, don't make sense  
No matter how hard I try to define

I'm comin' face to face with myself  
I know I don't need, don't need no-one else  
So can somebody tell me where I'm going?  
So can somebody tell me where I'm going?

I keep runnin'  
With real love in my face  
Why am I breakin' away?  
I keep runnin'  
So scared of the heart break  
So scared of making mistakes  
I keep runnin'

When all I really need is you  
All I really need is you  
But I keep on running away  
Runnin' away  
Hey

I keep runnin'  
(Runnin' away)  
With real love in my face  
Why am I breakin' away?  
I keep runnin'  
So scared of the heart break  
So scared of making mistakes  
I keep runnin'  
When all I really need is you  
All I really need is you  
But I keep on running away  
Runnin' away  
Hey

Runnin' away  
Runnin' away  
Hey  
Runnin' away  
Runnin' away  
Hey
