I met this girl down the block from me  
Used to tell myself she was too hot for me  
But then I saw her at the corner store  
So I ran on over just to grab the door

I got her number, we started chillin (hey)  
We started buzzing, we got addicted  
Now I, I'm the one she can't live without  
I bet that's her right now

Shorty hittin' me up  
Says she wanna re-up  
Knows I got the best in town  
Cuz when she get the shivers  
She knows that I'll deliver  
I'm the one that holds her down

She's about to  
Break, break, break, break, break  
And I won't let her  
Wait, wait, wait, wait, wait  
It's getting kinda  
Late, late, late, late, late  
And she just wanna  
Shake, shake, shake, shake, shake

One day she started texting me  
Asked if she could borrow that recipe  
I told her, loving you is my specialty  
She said well give it up (up), give it up (up)

When she's away it's such a downer  
And I miss her every time I'm not around her  
Cuz she, she's the one I can't live without  
I hope that's her right now

Shorty hittin' me up  
Says she wanna re-up  
Knows I got the best in town  
Cuz when she get the shivers  
She knows that I'll deliver  
I'm the one that holds her down

She's about to  
Break, break, break, break, break  
And I won't let her

Wait, wait, wait, wait, wait  
It's getting kinda  
Late, late, late, late, late  
And she just wanna  
Shake, shake, shake, shake, shake

I'm hooked on her  
I must admit it  
I'd do any, I'd do anything to get it

She hooked on me  
A bad habit  
She'd do any, she'd do anything to have it

When she calls  
I know  
Exactly what she want from me  
Yea anytime I hear my phone ringin'  
She wants to shake it with me

Shorty hittin' me up  
Says she wanna re-up  
Knows I got the best in town  
Cuz when she get the shivers  
She knows that I'll deliver  
I'm the one that holds her down

She's about to  
Break, break, break, break, break  
And I won't let her  
Wait, wait, wait, wait, wait  
It's getting kinda  
Late, late, late, late, late  
And she just wanna  
Shake, shake, shake, shake, shake

Shake

Shorty hittin' me up  
Says she wanna re-up  
Knows I got the best in town  
Cuz when she get the shivers  
She knows that I'll deliver  
I'm the one that holds her down

She's about to

Break, break, break, break, break  
And I won't let her  
Wait, wait, wait, wait, wait  
It's getting kinda  
Late, late, late, late, late  
And she just wanna  
Shake, shake, shake, shake, shake
